---	--

<sup>1</sup> Shall be invoiced yearly in advance. Above 50000 transactions/year a volume-based pricing model applies.

Additional provisions The myAnalytics service is governed by the "General business conditions for myPayments".

This Supplemental Agreement amends the existing agreements for the acceptance of cashless means of payment mentioned above in accordance with the provisions preceding and shall prevail over the latter.

By signing this Supplemental Agreement, the Merchant confirms that it has read and understood all of the provisions set out above as well as the "General business conditions for myPayments" and agrees to the terms set forth therein.

For all services for the acceptance of cashless means of payment, in particular fees, that are not explicitly regulated in this Supplemental Agreement the existing agreements between the Merchant and SPS shall remain in force.

**End of minimum contract duration** At the month's end occurring 12 months after the signature date.
