## 1. Technical process

The technical process is described in the operating manual for the connection modality (e.g. terminal) used by the merchant. SIX Payment Services is entitled to approve further instructions above and beyond those in such manual.

The printers used to print out Mobile Vouchers shall be installed in such a way that no printout can be viewed by third parties (including viewing using devices such as binoculars, surveillance cameras and the like).

## 2. Purchase of Mobile Vouchers

The merchant hereby acknowledges that Mobile Vouchers become valid as soon as they are printed out by the system printer.

Mobile Vouchers shall be printed out solely in the presence of the customer.

The merchant is to hand over the Mobile Voucher immediately upon completion of the payment process.

The merchant is to ensure that the printer contains sufficient paper for the generation of Mobile Vouchers. If a Mobile Voucher cannot be generated in whole or in part, the merchant is to carry out the cancellation process described in no. 3 below.

The merchant is to indicate to the customer in an appropriate manner that the customer should undertake his/her reload promptly, in the interest of his/her own security.

## 3. Cancellation

Mobile Voucher purchases cannot be cancelled using the authorized SIX Payment Services connection modality. Consequently, should a cancellation become necessary, the merchant is to contact SIX Payment Services

by calling the following phone number: 0900 60 60 20 (CHF 1.80/min, available 24/7). SIX Payment Services will cancel the relevant Mobile Voucher purchase and will rescind any amount that the merchant was charged in connection with this Mobile Voucher. SIX Payment Services will be entitled to charge the merchant a fee in the event the merchant uses the cancellation process repeatedly.

#### 4. Credit note/statement

SIX Payment Services will send the merchant a written monthly statement. Upon request by the merchant and subject to charge, statements can be sent at shorter intervals.

#### 5. Daily purchase limit

Daily purchases of Mobile Vouchers shall be subject to a limit, for security reasons. The merchant is entitled to submit a request to SIX Payment Services to increase the daily purchase limit calling the Customer Service at 0848 832 000. Any legal entitlement on the part of the merchant to increase its daily purchase limit for mobile vouchers is excluded.

#### 6. Password protection

For security reasons, the merchant is entitled to use an additional password for the purchase of Mobile Vouchers. Instructions for setting up such a password can be found in the terminal operating manual.

**Mobile Voucher Sales Data Sheet version August 2015. Replaces all previous versions. The present "Mobile Voucher Sales Data Sheet" is an integral component of the "Voucher Services" agreement (sales of electronic vouchers).**
