Definitions:

Domestic transaction: A domestic payment transaction means a card-based payment transaction where the card-based payment instrument is issued by an issuing payment service provider located in the same country as that of the point of sale.

Intra EEA transaction: An Intra EEA payment transaction means a card-based payment transaction where the card-based payment instrument is issued by an issuing payment service provider located in a different EEA member state than that of the point of sale.

Intra non-EEA transaction: An Intra non-EEA payment transaction means a card-based payment transaction where the card-based payment instrument is issued by an issuing payment service provider located outside the EEA but still in the Europe region and the point of sale is within the EEA and vice versa.

Interregional transaction: An Interregional payment transaction means a card-based payment transaction where the card-based payment instrument is issued by an issuing payment service provider located outside of the Europe Region and the point of sale lies within the Europe Region and vice versa.
