

SCHEDULE OF FEES FOR PAYMENT SERVICES

(POLAND)

Effective from 01.05.2017

INFORMATION REGARDING THE PRICING MODELS

Interchange++

The pricing model "Interchange ++" consists of 3 components which add up to form the individual commission rate for each transaction.

Interchange fees (IF) dynamic

The fees charged to the Merchant correspond to the actual fees levied by the Card Schemes on behalf of the Card Issuers.

Refer to:

six-payment-services.com/interchange

+

Card scheme fees dynamic

The fees charged to the Merchant correspond to the actual fees levied by the Card Schemes.

Refer to:

six-payment-services.com/schemefees

+

SPS acquiring fees fixed, in % and/or PLN

The fees charged to the Merchant cover the costs for transaction processing and settlement, fraud monitoring and customer service.

They are levied in accordance with the pricing table displayed in the Contract Module.

BLENDED – INCL. INTERCHANGE FEES, CARD SCHEME FEES, SPS ACQUIRING FEES

The pricing model "Blended" consists of a set of fixed basic rates per card brand amended by surcharges applied in accordance with the specific transaction type.

The fixed rates charged to the Merchant include the basic costs for Interchange (refer to: six-payment-services.com/interchange) and Card Scheme fees (six-payment-services.com/schemefees) as well as for transaction processing and settlement, fraud monitoring and customer service. The surcharges cover additional costs arising pursuant to the specific transaction type.
