

# Schedule of Fees for Payment Services

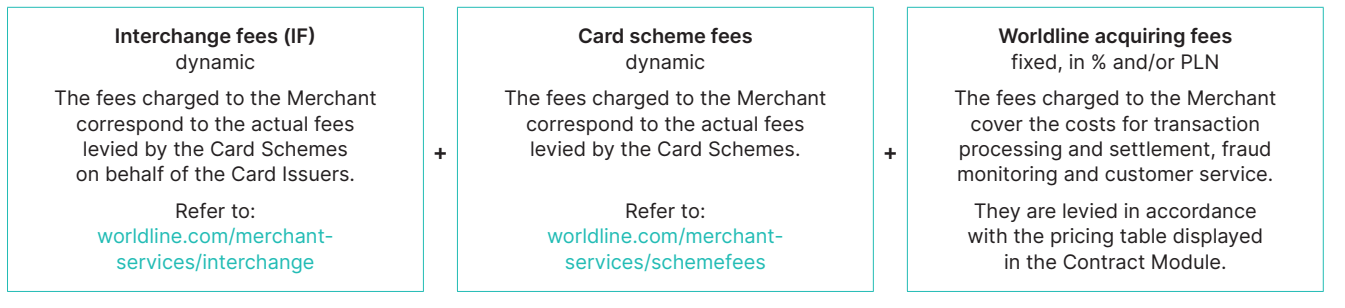

**(POLAND)**

Effective from 01.05.2017

## INFORMATION REGARDING THE PRICING MODELS

### Interchange ++

The pricing model "Interchange ++" consists of 3 components which add up to form the individual commission rate for each transaction.

## BLENDED – INCL. INTERCHANGE FEES, CARD SCHEME FEES, WORLDLINE ACQUIRING FEES

The pricing model "Blended" consists of a set of fixed basic rates per card brand amended by surcharges applied in accordance with the specific transaction type.

The fixed rates charged to the Merchant include the basic costs for Interchange (refer to: [worldline.com/merchant-services/interchange](http://worldline.com/merchant-services/interchange)) and Card Scheme fees ([worldline.com/merchant-services/schemefees](http://worldline.com/merchant-services/schemefees)) as well as for transaction processing and settlement, fraud monitoring and customer service. The surcharges cover additional costs arising pursuant to the specific transaction type.
