

DYNAMIC CURRENCY CONVERSION DCC

DCC at a glance

With the Dynamic Currency Conversion (DCC), your customers can easily pay in their home currency. The payment terminal recognises foreign cards automatically and gives your customers the option of paying in their usual currency.

CARD BRANDS THAT CAN BE USED WITH DCC

PAY IN THE CARD CURRENCY

- No additional expenses (incl. all charges)
- Best rate guarantee
- Exchange rate updated daily
- “What you see is what you pay”

USE A CLOSED QUESTION TO ACHIEVE SUCCESS

Ask simple questions that the customer can answer with “yes” or “no”.

- “Would you like to pay in dollars?”
- “Would you like to pay in your own card currency?”
