

e355 MOBILE PINPAD

THE ULTRA LIGHTWEIGHT CASH REGISTER- INTEGRATED SOLUTION FOR YOUR BUSINESS

With the e355 MOBILE PINPAD, your customers can pay flexibly and simply via your existing (tablet-)POS infrastructure.

With the integrated pocket-sized e355 MOBILE PINPAD, your customers can pay conveniently, quickly and securely directly via your existing POS infrastructure. The handy card reader is integrated directly into the POS app for your tablet (iOS/Android).

Thanks to Wi-Fi and Bluetooth connectivity, the e355 MOBILE PINPAD is flexible to use anywhere and is therefore the ideal companion in your day-to-day business activities. Your customers can pay where it is most convenient for them and acceptance of all major credit and debit cards as well as mobile payment solutions is guaranteed.

YOUR IDEAL COMPANION

The e355 MOBILE PINPAD is the compact solution for your needs:

- Portable and flexible thanks to Wi-Fi and Bluetooth connectivity
- Ideal in combination with lots of POS apps for tablets (iOS/Android)
- Compact and ultra lightweight (193 g)
- Fast payment thanks to contactless function
- PCI PTS 4.x security standard
