

PACKS

The easy way to accept payments

Take advantage of included card acceptance and a payment device at transparent prices.
Choose the Pack that suits you best.

For small and medium-sized companies we provide two all-in-one packages to facilitate the acceptance of cashless payments. The two Packs fulfil the most required payment solution on the Croatian market. You do not need to bother about making individual decisions, just choose the Pack that suits your business.

Let your customers pay conveniently, quickly, securely and directly via a payment device. You either use your existing Android device and turn it into a payment terminal (SoftPOS) or choose a classic, modern payment terminal from Worldline. Both Packs allow you to accept the most popular card payments.

Trust in Worldline, the European leader in payments and transactional services and the #4 player worldwide with over 20,000 employees and a presence in more than 50 countries. With a strong local presence and expertise in Croatia do not hesitate to contact us if you have any questions or need any support.
