

YOXIMO MOBILE

The flexible and hard-working terminal

Wireless communication paired with an integrated printer and excellent battery life make the YOXIMO Mobile payment terminal ideal for use on the go. Take advantage of its portability to let customers pay where they want: at their table in the restaurant, on the shop floor or elsewhere.

LIMITLESS PORTABILITY

- Can be used outside thanks to 4G and WLAN
- Reliable and long-life battery
- Strong casing that easily absorbs impacts
- Fast payment thanks to the contactless function
- PCI PTS 4.x security standard
