

**ENGAGE MOBILE**

# THE ALL-ROUND TERMINAL FOR GREATER FLEXIBILITY IN EVERYDAY LIFE

With the Engage MOBILE, you can offer your customers maximum flexibility when they pay. The compact terminal is characterised by a fast and reliable connection at any location.

The Engage MOBILE is the best terminal for mobile use due to its ergonomic and compact design. A fast connection and quick transaction processing, as well as the built-in contactless function, make paying quicker and easier than ever.

The Engage MOBILE is available in two different product versions – as Engage MOBILE WLAN and Engage MOBILE FLEX. With the Engage MOBILE FLEX, you can easily switch between WLAN and 4G as required and thus always have the best connection.

**COMPACT AND HANDY**

The Engage MOBILE ensures maximum flexibility in everyday life:

- Touchscreen display for a more user-friendly experience
- Contactless function for faster payment
- Added value solutions such as DCC (Dynamic Currency Conversion) available
- Seamless card acceptance for greater customer satisfaction
- PCI PTS 5.x security standard
