

GET STARTED WITH mPRIME

REQUIREMENTS

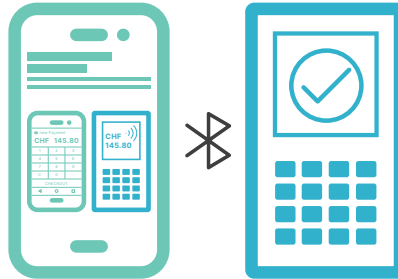

- Apple iOS 10 or later
- Android 6 or later
- Active SIM card plus data

1 DOWNLOAD mPRIME APP

Install the free mPRIME app from the Google Play Store or Apple App Store.

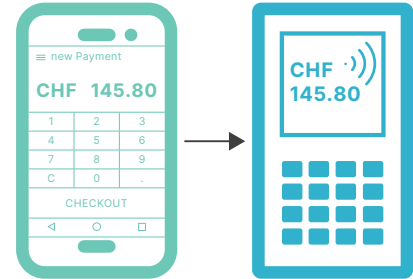

2 INSTALL CARD READER

Start the mPRIME app and follow the instructions.

3 PROCESS PAYMENTS

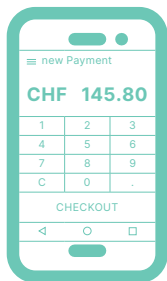

More info on the reverse side

Process your payments simply and easily using your smartphone or tablet.

HERE'S HOW SIMPLE IT IS TO PROCESS PAYMENTS WITH YOUR mPRIME

1 ENTER AMOUNT

Enter the amount in the app and confirm the payment.

2 ACCEPT PAYMENT

The customer pays as usual with his card in the card reader.

3 RECEIPT TRANSFER BY E-MAIL (Optional)

You can send the payment receipt to the customer by e-mail, upon request.
