

DESK/5000 COMPACT

The powerful terminal with touch display

The stand-alone Desk/5000 Compact is ideal for retail and all those shops where payments are accepted directly at the cash register. Its compact dimensions ensure convenient space saving at the point of sale.

PERFECT FOR THE POINT OF SALE

- Large touch display for a more user-friendly experience
- Connection via LAN
- Fast payment thanks to contactless function
- Latest PCI PTS 5.x security standard
- Can also be used integrated into cash register (pinpad)
