

Shopping and withdrawing cash in one go

Cash Back

Cash Back spares your customers that trip to an ATM as they can obtain cash quickly and easily at your cash desk. One reason more for shopping at your store. And you receive a credit from SIX Payment Services for every cash disbursement without any extra effort on your side.

Opt for Cash Back and turn your cash desk into an ATM for your customers. Cash Back, the cash-disbursement service from SIX Payment Services, makes everyday life easier. Your customers will thank you for the value-added service.

If your customer is standing at your cash desk with an empty wallet, Cash Back can help. A card is used to pay as usual. But instead of simply charging the card with the purchase amount, the extra amount of cash your customer wants to obtain is added. Once the total has been calculated, you simply hand over the cash.

For whom is Cash Back attractive?

Cash Back is attractive for all merchants, as you offer your customers value added and benefit from the many advantages at the same time.

Many advantages

SIX Payment Services compensates you with a credit for every cash disbursement. At the same time, you reduce the stock of cash in your cash desk and the effort required to handle the money. This means you don't have to head for the bank after shutting up shop, as SIX Payment Services transfers the entire amount involved reliably, straight to your bank account.

Who can use Cash Back?

Any customer who uses a card to pay at your store can utilise the service. The prerequisite is a credit or debit card on which Cash Back is activated. Cash Back requires a minimum spend. This limit is country-specific.

How it works

It's this easy for your customers to obtain cash:

1. Customer shops at your store.
2. Customer pays with a card and sees the amount due on the terminal.
3. Customer uses keypad to select the amount of the cash withdrawal¹ and confirms with PIN or signature.
4. You hand over the amount shown on the slip.

¹ The maximum amount that can be disbursed is restricted. The limit is country-specific.

Advantages for you and your customers

Cash Back has many advantages:

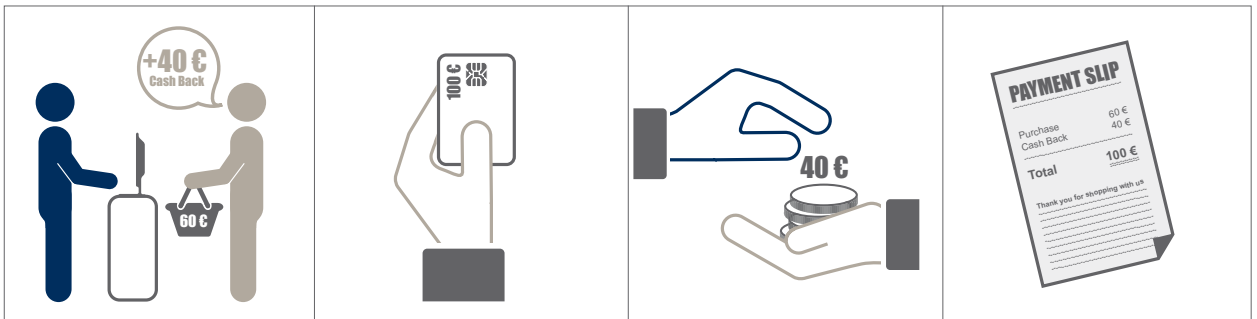

- Attractive credit for you with every cash disbursement
- Greater customer loyalty thanks to additional service
- Less cash in your cash desk saves you time and effort
- Shopping and picking up cash in one go
- No more empty wallets
